abstract

The cited documents represent the general state of the art.
The invention defined in claims 1-7 is not disclosed by any of these documents.

The cited prior art does not give any indication that would lead a person skilled in the art to the claimed advertising stand to be used in a winter sport resort. The stand have an upper and lower portion of profile and between them one or more advertising surface can be fixed. The upper profile above the snow cover is arranged as a performance place of the winter sport resort, as a rail, on which it is possible to move, for instance with a snow board.

Therefore, the claimed invention is not obvious to a person skilled in the art.

Accordingly, the invention defined in claims 1-7 is novel and is considered to involve an inventive step. The invention is industrially applicable.
